

Ulead® PHOTO EXPLORER

Ulead Photo Explorer is the complete solution for the digital photography enthusiast. Photo Explorer combines easy-to-use tools for acquiring, viewing organizing, adjusting and sharing digital images and video clips.

The browser

The Viewer

- Get a full-size or full-screen view of images.
- Navigate through images using the keyboard, toolbar buttons, or menu commands, or let Viewer automatically step through the images.
- Copy, rename or delete an image file.
- Copy an image for pasting onto your desired image editor.
- Rotate, flip and edit images, and then save the changes.
- Create wallpapers and screen savers using your images.

Creating a slide show

Photo Explorer's Slide Show Storyboard is where you bring together images, videos and sounds, and plan out their sequence in the slide show.

Fun prints you can create

Thumbnail prints

Print a complete catalog of all the images in a folder by printing them as thumbnails. Specify how many thumbnails to print per row and column on a page, and choose the information to print with the thumbnails.

Cards

Print a half fold or quarter fold greeting card using your image.
