HELP MESSAGE 

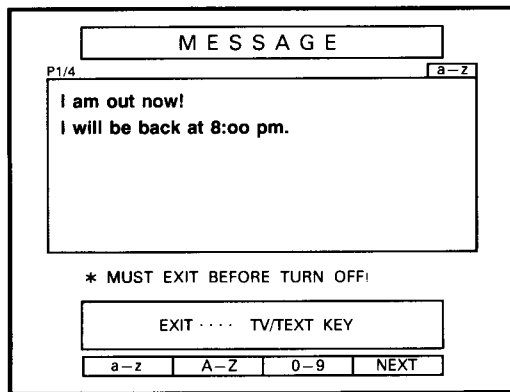

Introduction

In addition to standard TV functions, this set offers the convenience of **MESSAGE**, **CALENDAR** and **HELP MESSAGE** functions in 5 languages: English, German, French, Italian and Spanish.

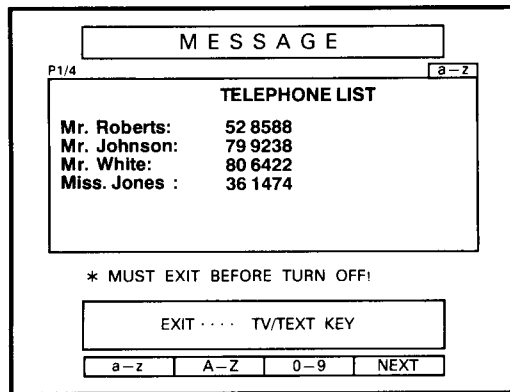

■ MESSAGE

- This function offers 4 screen pages of memory space for leaving important messages (30 characters x 8 lines = 240 characters per screen; total: 960 characters).
- Once a message has been input, it can be recalled instantly simply by pressing the **CALL** key.
- You will, of course, find other uses (for example, as a handy phone list or appointment calendar).
