

Assemble and attach the pedestal base

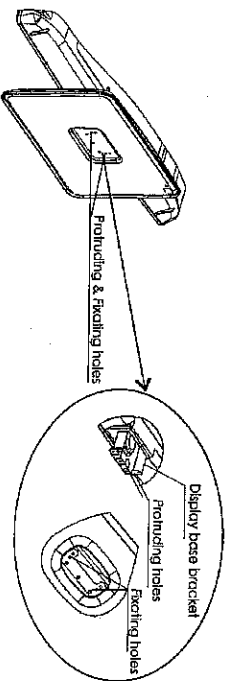

Safety Precautions:

1. Please read these instructions thoroughly prior to attempting this installation.
2. Be sure to handle this product very carefully when attempting assembly. If you are unsure of your capability, or the use of tools necessary to complete this activity, refer to a professional installer or service personnel. The manufacturer is not responsible for any damages or injuries that occur due to mishandling or improper assembly/installation.
3. When using a table or bench as an aid to assembly, be sure to put a soft cushion or covering to prevent accidental scratching or damage to the unit's finish.
4. The speaker is not intended to support the weight of this display. Do not move or handle this product from the speaker, which can cause damage to the display not covered under the manufacturer's warranty.

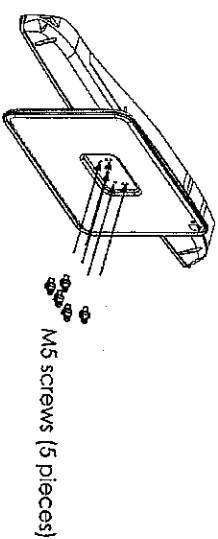

Attachment parts: 1. Stand (1 piece) 2. M5 Screw (5 pieces)

Install the stand:

1. Place carefully the display on its front side, using a soft cloth, blanket or cushion to protect its finish from scratching. Aiming the fixing holes of the stand to the protruding holes on the display base bracket, attach the stand to the display base bracket.

2. Using the supplied M5 screws (5 pieces) to tighten securely.

! NOTE:

1. Appearance of this product in illustrations may differ from your actual product, and is for comparative purposes only.
2. Design and specifications are subject to change without notice.
